Celebrate Mitchell Online Community Website Launch

www.mitchellonline.ca is a new website created for Mitchell and area.

The website will constantly grow and change to make the Internet work for small town and rural population; www.mitchellonline.ca will serve the local community online with [free local classifieds](#), local service and business locator and many other features still in the works.

Local non-profit organizations are expected to benefit from this site by having webpages created for them on the site at no cost and attract the interest of people using the free services this site has to offer.

The site will have a new issue every few months featuring articles, which will focus on the local area and community. Our next feature: **Works by Young Artists** is going to display children's art on this website. All submissions will be entered into a draw for prizes. Submit your child's artwork for a chance to win a huge stuffed monkey or an art kit. [Click here for details.](#)

If you are a local non-profit organization, and would like to join Mitchell Online to have a free webpage created for you or if you are a local business and would like to get a feature article on the main page of this site about your products and services and/or your own page with www.mitchellonline.ca, please email: webmaster@mitchellonline.ca

Get a Good Start on Spring Cleaning & More with Local Classifieds

Spring is finally here, and so are the **Online Classifieds** for **Mitchell Online** and other members of **Communities Online Network**. You can now submit your own classified ads and advertise on the internet absolutely free. Advertise your garage sale, find a lost pet, sell used hockey equipment and more.

Why www.mitchellonline.ca is Better Than a Newspaper

- You can submit your own ads in real time and see them online immediately, there is no waiting for the next newspaper issue.
- It is very quick and easy: click, type, submit - it is that simple.
- You can change or remove your ad at any time from your computer or any computer in the world (with Internet access).
- A lot more people than just newspaper subscribers can see your ad - a poster advertising the site will be distributed throughout most paper bulletin boards throughout the local area (as many as we can find!).
- It is free.

Why www.mitchellonline.ca is Better Than Ebay

- Ebay is a huge website visited by people from all over the world. It is fantastic how it can bring them all together erasing distance and borders, but would you advertise your used furniture to this audience? It is not very likely that someone in Australia or even in Toronto will want to buy it and pay for shipping and handling to get it there.
- www.mitchellonline.ca will be advertised to the local community, your primary target audience.

Mitchell Minor Sports Joins Mitchell Online

This month's addition to the website is [Mitchell Minor Sports](#). As a mother of 2 boys, I am very proud to have an opportunity to contribute to this organization.

Works by Young Artists Display & Draw

The prizes are being drawn in 2 age categories: **0-4**(monkey prize) and **5-12**(art kit prize). Both prizes are from **Toys R Us**. The art set comes with an easel and contains 144 pieces all together. Younger children can simply colour a butterfly. [Click here to download and print the butterfly \(includes the entry form\)](#). Parents, siblings or anyone else can help younger children colour - have fun! Older children are asked to submit a drawing of anything they can imagine. An entry form must accompany the submission. [Click here to download and print the entry form](#). Please drop off the artwork at **Mitchell Sports** or mail to **Rita Binns - P.O. Box 872, Mitchell, ON N0K 1N0** and mark the envelope: **Works by Young Artists - Mitchell Online**. Those, who personally know me, are welcome to give the envelope to me directly. The drawing cannot exceed **8.5 x 11 (Letter size format)**, and can be folded to fit a smaller envelope (providing it doesn't damage the art). If you have an electronic version, it can be emailed to webmaster@mitchellonline.ca. All the art work will be displayed on the website in the fall issue for everyone to see (and for you to brag), and the coloured butterfly will be displayed as an animation as it changes colours. The draw will take place on **July the 5th (deadline extended till October the 5th!!!)**, and the names of the draw winners will be published on the website **the following day**.

I have to be fair, therefore, I sadly announce that my own children are not eligible for the draw, but I was able to give them a job to model the monkey prize and give them awards for that... Yes, you are right, the dog also had to be compensated!

A Word from the Webmaster: Enjoy the site, good luck with the draw, and [happy advertising!](#)
